

## **FRAM 2011-2012 Season Tryouts Boys & Girls U8 - U14**

FRAM Soccer Club will be holding tryouts for the upcoming 2010-2011 soccer season in February and March. We will be building new Boys and Girls teams in the many of our age groups and are seeking players to strengthen our existing U9 - U13 teams. Additionally, we will be forming developmental teams for the U8 age group. The 2012-2011 Playing age chart is below.

FRAM Soccer Club is proud to announce that 6 of its teams were Champions in their Coast Soccer League brackets, an additional 4 teams finished in 2<sup>nd</sup> place. FRAM anticipates that 11 of its teams will be promoted for the upcoming 2011-2012 season. We are especially proud of our Girls teams – there is at least one team in almost every age group that will be promoted in the upcoming season.

FRAM players and teams will be developed through fundamental coaching techniques taught by experienced and highly qualified coaches. Most of our coaches carry United States Soccer Federation (USSF) A, B and C Coaches licenses. The program places emphasis on developing the total soccer player through techniques aimed at technical skill development and game tactics comprehension. The learning environment focuses on game-like practice sessions that maximize the soccer experience while instilling love for the game. Also important are the experiences of the players and their families as they get exposed to club level competitive soccer and while they transition to a higher level of play.

All tryout sessions above will be held at Miraleste Intermediate School. Boys tryouts will be on the Upper field and Girls on the Stadium Field. Directions to Miraleste can be found on the Fields page of the FRAM Soccer Club website.

Please bring the FRAM Tryout Application form with you to the first try-out session. The form is available for download on the Tryouts Page of the FRAM Soccer Club website.
