

FRAM 2010-2011 Season Tryouts Boys & Girls U8 - U14

FRAM is holding tryouts for the upcoming 2010-2011 soccer season. We will be building new Boys and Girls teams in the U9, U10 & U11 age groups. We are also seeking players to strengthen our existing U9 - U13 teams. Additionally, we will be forming developmental teams for the U8 age group.

FRAM is proud to announce the appointment of Richard Boon as our new Director of Coaching and Player Development. Rich Boon is a highly qualified coach and coach instructor who holds the USSF National Youth License, USSF National A License as well as the UEFA License. Richard Boon has been a major part of the successful Cal-South program for the past 16 years in various positions including: Cal-South ODP age group Head Coach, Head Coaching Coordinator for Orange County District, Cal-South Technical Committee Member and ODP Camp Director. Additionally, Boon has also served on the USYSA Regional IV staff over a 15 year period.

FRAM players and teams will be developed through fundamental coaching techniques taught by experienced coaches, USSF licensed coaches. The program places emphasis on developing the total soccer player through techniques aimed at technical skill development and game tactics comprehension. The learning environment focuses on game-like practice sessions that maximize the soccer experience while instilling love for the game. Also important are the experiences of the players and their families as they get exposed to club level competitive soccer and while they transition to a higher level of play.

All tryout sessions above will be held at Miraleste Intermediate School on the lower (stadium) field. Directions to Miraleste can be found on the Fields page of the FRAM Soccer Club website at www.framsoccer.com.

It is recommended that players plan to attend all the tryout sessions for their age group. Please bring the FRAM Tryout Application form with you to the first try-out session. The form is available for download on the Tryouts Page of the FRAM Soccer Club website at www.framsoccer.com.

AYSO Select Players: Any player making a team from AYSO should not worry about having a conflict with their current Select team. We expect that families will finish their commitment to their Select team, then play for FRAM. We will work with you regarding your specific scheduling conflicts if you make one of our teams.

If you have any questions about FRAM Soccer Club, tryouts and our teams please contact the appropriate Youth Coordinator or our Director of Coaching.
